CUSTOMIZED

PROCESS

I have a good idea of this set of tools, could you help me to make a change?

Our Logo 's color is blue, I need to add blue color onto it.

Besides to solve 7S issues, I want to make the workshop more professional and lofty.

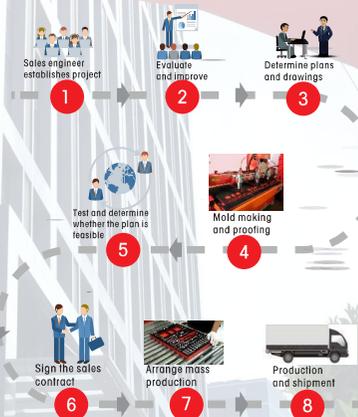

I want a set of universal tools + New energy tools.

What we need for teaching are very targeted tools. Can you provide it?

Could you print my own Logo onto the tool trolley and the solution tray?

We mainly do professional projects. Can you help us develop it?
